Case No. C17-1712RSL

ORDER GRANTING MOTIONS
TO SEAL

14 This matter comes before the Court on the parties' motions to seal documents submitted
15 in connection with defendant's request for a protective order and return of corporate property.
16 Dkt. # 49, # 56, and # 67. Defendant's confidential business information regarding research and
17 development of new products justifies limitations on the public's right to inspect and copy
18 documents in the Court's file. The motions are therefore GRANTED and Dkt. # 53, # 57, # 58,¹
19 and # 69 shall remain under seal. The documents filed at Dkt. # 50 and # 51 are the redacted
20 versions of the motion and supporting declaration, however: the Clerk of Court is directed to
21 unseal those two documents.

22 Dated this 19th day of September, 2018.

¹ Counsel is advised that, in future, a separate motion to seal will be required to justify sealing a reply memorandum/declaration.
